SELF CERTIFICATION

If you are providing day care for 3-16 people in your home and you meet all of the special development standards in Eugene Code Section 9.5200, as summarized below, the use is permitted outright. There would be no Conditional Use Permit or Certificate of Occupancy required.

Eugene Code (EC) 9.5200 Day Care, Small (3-16 people served) Standards.

The following standards apply to small, (3-16 people served) day care operations in residential zones:

- (1) In addition to the one parking space for the dwelling, 1 off-street parking space is required per each outside employee.
- (2) Education programs offered as a primary activity or specialized training in activities such as dance, drama, music, or religion shall be limited to preschool children.
- (3) At least 1 of the business owners of a day care service serving 3-16 people in R-1, (single family residential) and R-2 (medium density residential) zones shall reside in the building.
- (4) No overnight care permitted without a conditional use permit.

By signing below, you are stating that you meet all of the standards in EC 9.5200.
